CPAC - 2019 AS REPORTED BY DOT KAZANJIAN AND LINDA SCHLINGER

CPAC - CONSERVATIVE POLITICAL ACTION CONFERENCE

SPONSORED BY THE AMERICAN CONSERVATIVE UNION

CPAC 2019 was a three day conference, February 28-March 2, held at the Gaylord National Resort and Convention Center in National Harbor, Maryland which is just outside of our nation's capital. It is an extraordinary annual event attended by thousands of conservatives who are interested in promoting the standards, ideals, policy and philosophy of Republican government.

Linda Schlinger and I (Dot Kazanjian) attended in 2018 and we were so impressed with the program that we decided to go again this year; where the conference was just as informative and as exciting, if not more so, than 2018.

The program covered a wide array of issues both political and cultural that affect all Americans in our daily lives. The spectrum ranged from our leadership role in the global community; economics and our concerns for fair trade agreements; gun rights; healthcare; the environment; anti-semitism; abortion on demand and finally to fulfilling our individual responsibilities as citizens for creating a society that cares for our country, communities, families, the well-being and dignity of all individuals. The programs were delivered in several formats including panel discussion, break-out sessions and workshops. In all instances the leader was an authority on the topic. A few of the more prominent leaders included Senator Lindsey Graham, Dr. Sebastian Gorka, Glenn Beck, Mark Levin, Judge Jeanine Pirro, Ambassador Dora Gold, Governor Scott Walker, Rep Jim Jordan, Gordon Chang and Byron York.

We also heard Vice-President Mike Pence speak on this administration's accomplishments in the last two years. There was applause through-out the 40 minute speech as he enumerated all that has been done in addressing the current issues, facing us and the problems left behind by the previous administration.

The meeting ended on Saturday with rousing cheers for President Donald Trump. He had just returned from a 20 hour flight from Vietnam and here he was standing on stage at CPAC. In 2018 he had committed to coming back in 2019 and he kept his promise. He spoke for almost two hours, off script, as only he can do. What Linda and I thought amazing as that he was not delivering a speech, but rather having a personal conversation with many thousands of people. He spoke of the many issues he is dealing with, and how we need to go forward in the next two years. Needless to say he was amazing! We need to stand behind him, and do all we can to ensure he gets re-elected in 2020 allowing him to continue his pledge. **MAGA!**

The March luncheon featured TV and radio talk show host Wayne Allyn Root. It was a excellent and very informative luncheon & here are a few pictures for your enjoyment

APRIL SPEAKER BYRON BROOKS

We are very pleased to have Byron be our April speaker. Byron is a U.S. Army combat veteran and Las Vegas native. He was recruited by a private security firm to work for the Department of Defense and later the U.S. Department of State in support of multiple high threat government operations overseas. Byron's experience included managing multimillion-dollar government projects in remote, hostile locations across the globe.

Byron returned to Las Vegas in 2012 and has continued to serve his community. For over three years, Byron represented the community as a Use of Force Board Member with the Las Vegas Metropolitan Police Department. He was responsible for responding to officer-involved shootings and walking the scene with detectives from the police department's Critical Incident Review Team to determine if officer actions complied with department policy.

Byron is spearheading the Nevada Republican Collation. The Collation is working to bring all Republican groups together so we can ensure that Republicans are voted into State offices. Byron will discuss how we can be part of this and he will be talking about his work as a mentor for the Veterans Treatment Court.

The Veterans Treatment Court in Henderson celebrates the graduation of participants, usually on the third Thursday every other month at the Court House in Henderson. The graduation is usually in the afternoon. Our club generally has members in attendance in support of the veterans who have gone through this rigorous and demanding alternative to incarceration. If you are interested in participating with us at a graduation please contact either Sydney Ingram at singram6@cox.net or Michele Turner at turner2326@centurylink.net or 702-606-0983.

Our April speaker, Byron Brooks currently serves as a mentor for the Veterans Treatment Court program and has done so since 2013. He is a certified mentor through Justice for Vets, the national organization that oversees and facilitates veteran treatment courts throughout the United States. Having to deal with veterans in crisis, Byron sought additional tools to prepare him for suicide preventiveness and is an instructor for SafeTALK (suicide prevention). Byron will share with us what it is like to be a mentor for the court and how rewarding it can be.
