President Michele Turner's monthly message

We scored a BIG win in the Legislative Session when Governor Sisolak vetoed the National Popular Vote bill. He stated that he vetoed it because of all the comments he received from people in the state. Those people were YOU! Thanks to all our members who wrote emails and made phone calls asking the Governor to veto this bill. I know that times are tough but we must remain strong and continue to fight for what we believe. Every once in awhile we get a victory and it sure feels good. Keep up the good work!

On another note, we have been getting new members every month. That's great news and we want to keep our new members coming and help them get involved. I am seeking a few of you to volunteer to be mentors for our new members. This would entail you engaging with them for the first three months of their membership by contacting them after their first luncheon to see how it went and having them sit with you at the next two luncheons, if they desire, to ensure they meet everyone and make connections in the club. If you are interested please contact Kathy Matson at kdmatson2@mac.com or 702-373-9039.

God Bless America

JUNE SPEAKER KEITH PICKARD STATE SENATOR DISTRICT 20

We are so pleased to welcome Keith who will be speaking to us about the legislative session that just concluded this month. While many things did not go our way, we did have some victories and Kieth will go over those with us. Many bills presented by Republicans were passed and our Republican representatives were able to have changes made to some bills so that we were not harmed as much as we could have been. As to the bills that we really opposed, Keith will discuss what they mean and any possibilities we may have to change them in the future. Also he will go over what we need to do in order to turn our state back to RED in 2020.

We are very fortunate to have Keith in the senate as he kept the Democrats from having a super majority. Please join us as we welcome Keith back from Carson City.

Spread the Word Nevada is dedicated to advancing childhood literacy within low-income communities by changing lives one book at a time. Right now 61% of low-income children in the United States have no children books at home. Spread the Word Nevada is our chosen charity for June, 2019. We are asking you to bring new or gently used books for kindergarten through 6th grade to the June luncheon. If you are unable to get books please give a gift card or a check so the charity can purchase books for their clients.

The Veterans Treatment Court in Henderson celebrates the graduation of participants, usually on the third Thursday every other month at the Court House in Henderson. Our club generally has members in attendance at these graduations in support of the veterans who have gone through this rigorous and demanding alternative to incarceration. The graduation is usually in the afternoon. If you are interested in participating with us at a graduation please contact either Sydney Ingram at singram6@cox.net or Michele Turner at turner2326@centurylink.net or 702-606-0983.

Join us to congratulate the most recent graduates of VTC

Veterans who pass away with no one to claim the deceased are afforded a military burial at The southern Nevada State Veteran's Cemetery in Boulder City on the 3rd Thursday of each month. SHRW members have been faithfully attending these burial ceremonies to show support for our veterans. Sydney Ingram is notified if there are going to be burials and she has a group that attends with her. If you are interested in joining them please contact Sydney at singram6@cox.net. They meet at 7:45 AM in the Anthem parking lot and car pool to the cemetery.

Both of these events are very interesting and heartwarming to attend. Please join us for one or both of these events whenever you possibly can.
