

THE SHRW EAGLE

SOUTHERN HILLS REPUBLICAN WOMEN

President Michele Turner's monthly message

The Importance of Voting!

Keith Pickard won the November election for the State Senate, District 20 by 28 votes. His Democrat opponent, Julie Pazina requested a recount. The end result was victorious for Keith by 24 votes. Every woman in our club can take credit for Keith's win. Without our votes he would have been defeated.

Keith's win will prevent the Democrats from having a super majority in the senate and therefore prevent them from passing a tax bill in the upcoming legislative session. State law requires a super majority to pass any new tax.

There can be no better message for "every vote counts" that Keith's story. It is imperative that we work to get every Republican to vote.

2020 will be crucial as the state will redistrict after the 2020 election. If Democrats control the Assembly and the Senate they will redistrict so that we will never turn the state RED again.

Keith is our speaker this month. You will want to hear his message! Join us as we start our hard work to turn this state RED.

JANUARY SPEAKER

KEITH PICKARD

STATE SENATOR DISTRICT 20

We are so pleased to welcome Keith who will be speaking to us about the upcoming legislative session, which begins in February. Keith will also give us some statistical information about the election pertaining to how Nevadians, and particularly females, voted and discuss how we can rebrand our party to help ensure Republicans take back the state house in 2020. I believe you will find his information very interesting and informative.

Keith, who won his election by 24 votes, is our new poster boy for “every vote counts”. Because of his oh so very narrow victory the democrats will not have a super majority in the Senate. Keith will be our voice in the legislature so please plan to attend to hear how we can work with Keith to turn our state **RED** in 2020.

Thanks for the excellent and fun Christmas Brunch!!

This year's brunch was so well done and we all had so much fun. The tables were gorgeous, the food great, the trivia game was a riot and the raffle was one of the best ever. Debbie Stevens and her team did an outstanding job! Shirley put on the best raffle, Kathy and Bette helped but Shirley did most of the work. Thanks to all who gave us such great donations! All in all it was a wonderful day spent with wonderful Republican Women!

Happy New Year to all!!

When you are trying to decide where to give your charitable donations and you want to support our veterans, please consider the Salvation Army.

Two of their programs for vets are outlined below -

Supportive Services for Veteran Families (SSVF)

SSVF program is designed to assist low-income veterans and their families in obtaining and maintaining stable housing. We have been awarded a grant from the United States Department of Veterans Affairs to serve veterans throughout Southern Nevada.

Supportive services can include case management, housing counseling, linkage to VA and mainstream benefits/services, temporary financial assistance to address housing barriers, life skills training, budgeting, job preparation, coping skills, housing preparation, credit repair, credit counseling, transportation assistance, landlord/tenant mediation.

Assistance from peer mentors who are veterans themselves will add to the individualized, strength-based approach of care.

Veteran Rehabilitation

Homeless veterans struggling with the disease of addiction are provided with placement in the Adult Rehabilitation Center (ARC), our residential, clinical substance abuse treatment program. The ARC provides an intensive continuum of care program for homeless persons for the treatment of substance abuse, chemical addictions, mental health, and compulsive gambling.

The method is to provide a structured, purposeful, planned, daily regimen in a 24 hour live-in setting, permitting the individual to grow emotionally and intellectually while experiencing a supportive, caring and responsible environment. This truly transformative program gives hope to our veterans and blesses them with an opportunity for a new life filled with potential
