There are several bills in the State Legislature that we should oppose! Here are the details on a couple of them

1. SB123 (Senate Bill 123) SAME DAY VOTER REGISTRATION AND VOTING ON ELECTION DAY.

Citizens have many opportunities all year long to register to vote. Same day registration unduly burdens election officials and puts our election system at risk for fraud.

Share your opinion on Legislative Bills: Contact Keith Pickard @sen.nv.us or Send your opinion at: [https://leg.state.nv.us./App/Opinions/18th2019](https://leg.state.nv.us/App/Opinions/18th2019)

2. SB165 (Senate Bill 165) 2019 DOCTOR-PRESCRIBED ASSISTED SUICIDE.

The bill states that doctor assisted suicides may be prescribed as a medical treatment. Making it an item that insurance may have to cover. In addition, it is morally reprehensible .

Share your opinion on Legislative Bills on line and/or with State Representatives by phoning or going on line to comment. While it may seem like you are crying into the wind, do not stop expressing your opinion.

God Bless America

# MARCH SPEAKER

# WAYNE ALLYN ROOT

We are incredibly lucky to have Wayne Allyn Root as our March speaker. Wayne is an American politician, Capitalist Evangelist, Conservative Media Dynamo, Best Selling Author, Speaker, Champion of Economic Freedom and a Relentless Patriot. He now has a national TV show:

WAR Now: The Wayne Allyn Root Show” on Newsmax TV

Nightly, Monday-Friday at 8 PM ET/5 PM PT

Watch on DirecTV- Channel 349

Or on cable systems across America like U-verse and Fios

Or watch anytime at [NewsmaxTV.com](http://NewsmaxTV.com)

Wayne has become so in demand that he generally does not speak without a speaker’s fee but he made an exception for our club.

Join us on Tuesday, March 26th to hear the wit and wisdom of this great patriot as he discusses issues of state and national import. He will also have his latest books available for sale at the luncheon.

The February luncheon featured Rudy Pamintuan, Judge Mark Stevens, and four candidates for Henderson City council. It was an excellent and very informative luncheon & here are a few pictures for your enjoyment

**AS PART OF OUR ROAD TO ACHIEVEMENT AWARDS FOR 2019 WE HAD THE OPPORTUNITY TO ESTABLISH A SCHOLARSHIP TO BENEFIT A REPUBLICAN SEEKING A DEGREE. WE COULD THINK OF NO MORE WORTHY PERSON THAN ONE OF OUR MOST LOYAL MEMBERS:**

## **ANDRIA COLEMAN**

Andria was awarded a \$250.00 scholarship from SHRW to help further her quest for her PHD at UNLV. Andria sent me a brief overview of her Doctoral program. She is certainly involved in a very worthwhile and potentially very helpful program. See her description below:

I am currently enrolled at the UNLV in the Higher Education Doctoral program. This program is very versatile in a way that allows a student to focus on one of many areas. Depending on a student's educational or career goals, the College of Education Higher Education program can fit the need; whether it is leadership, policy and planning or student affairs. I personally am working towards leadership and student affairs.

Prior to being admitted into the program, I had to go through an interview process. The college is very selective when it comes to admitting students. For my cohort (the students that are admitted during one academic year), there were 28 applicants and only 12 were admitted. The competition is stiff for a spot. What a potential student chooses for their dissertation weighs in very heavy with the council; it is one of the most frequently asked questions, with many follow-up questions. My dissertation project focuses on homeless and displaced college students. I am looking at a phenomenological study (lived experiences) of these students so that universities can better serve this very specific population. Through my work with Project 150, I witnessed many students receive scholarships to attend a college or a university, but it did not change their circumstances. This is a ground-breaking study for the collegiate world.

The Veterans Treatment Court in Henderson celebrates the graduation of participants, usually on the third Thursday every other month at the Court House in Henderson. Our club generally has members in attendance at these graduations in support of the veterans who have gone through this rigorous and demanding alternative to incarceration. The graduation is usually in the afternoon. If you are interested in participating with us at a graduation please contact either Sydney Ingram at [singram6@cox.net](mailto:singram6@cox.net) or Michele Turner at [turner2326@centurylink.net](mailto:turner2326@centurylink.net) or 702-606-0983.

Join us to congratulate the most recent graduates of VTC

Veterans who pass away with no one to claim the deceased are afforded a military burial at The southern Nevada State Veteran's Cemetery in Boulder City on the 3rd Thursday of each month. SHRW members have been faithfully attending these burial ceremonies to show support for our veterans. Sydney Ingram is notified if there are going to be burials and she has a group that attends with her. If you are interested in joining them please contact Sydney at [singram6@cox.net](mailto:singram6@cox.net). They meet at 7:45 AM in the Anthem parking lot and car pool to the cemetery.

Both of these events are very interesting and heartwarming to attend. Please join us for one or both of these events whenever you possibly can.
