JULY 2020

## PRESIDENT'S LETTER—August 2020 By Janice Sutcliffe

There was a lot to be excited about in July for Southern Hills Republican Women's Club. We were able to hold our first regular luncheon since February, and we quickly sold out the maximum number of tickets allowed under the Covid 19 restrictions. It was great to see everyone together again and welcome a record number of guests (and hopefully new members) to their first SHRW luncheon.

After many months and countless revisions, we launched the new SHRW website and it's ready for you to test drive—check it out: [www.shrwhendersonrepublicanwomen.com](http://www.shrwhendersonrepublicanwomen.com) There are many new features and much more to come, but I've learned that websites are never done, they just keep constantly evolving. Our goal is to make our website your go-to place for the latest SHRW events and newsworthy happenings, newsletters, campaign events, legislative issues, luncheon reservations, other Republican Club events, just to name a few.

The Trump campaign office is located at **700 S. Boulder Highway in Henderson** and is now open – stop by and pick up a Trump yard sign. We're putting out a call for all SHRW members to help get our President re-elected - even a few hours of your time can make a big difference! The Rodimer campaign office on Maryland Parkway is open – let's get out there and take back that seat in CD3! If you'd like more information on these campaigns, please contact Linda Buckardt, Campaign Director at [buckalin@aol.com](mailto:buckalin@aol.com).

### LET'S TURN NEVADA RED AGAIN!

Victor Joecks is our guest speaker this month and we're expecting a sell-out crowd so **make your reservations early—the Eventbrite link is now open!** When the maximum number of tickets allowed are sold, we will close Eventbrite and no more checks will be accepted. You can make your reservation from the Monthly Luncheon Section on the Home Page or from the Events tab on the top of the Home Page.

**NEVADA DEPARTMENT OF VETERANS SERVICES**  
*Serving Nevada's Heroes*

### **Southern Hills Republican Women ('SHRW') Remembering Veterans** By Michele Turner

Every third Thursday of the month, a group of SHRW members attend the Internment Services for Veterans who have no family or friends. The service starts at 8:40 am at the Veterans Memorial Cemetery in Boulder City. We usually meet at the Anthem Center at 7:45 to carpool.

If you would like to attend the service, please contact Michele Turner at: [clairemichele65@yahoo.com](mailto:clairemichele65@yahoo.com) or 702-606-0983 or Sydney Ingram at [singram6@cox.net](mailto:singram6@cox.net) or 702-617-1949. Please be sure to contact Michele or Sydney! Thanks ladies for all your do to support our veterans during this time of need.

**Southern Hills Republican Women** supports our veterans in numerous ways. One of the most valuable programs to veterans is right in Henderson, Nevada. **The Veteran's Treatment Court Mentor Program ('VTC')** was started in 2011 by Judge Mark Stevens, a Marine Corp Veteran, who oversees the court. The court began as an alternative sentencing Program for U.S. Military Veterans, active duty personnel and retirees who have been arrested for misdemeanor crimes in Henderson. There are over 300,000 veterans in Nevada and there are some who get off track. Understandably, some of the young men and women, who volunteer for service to their country, are unprepared and unable to cope with the mental stress they endure in combat. Some while serving in a foreign country amid intolerable conditions, turned to alcohol or drugs to escape the constant nightmare in which they lived.

Then they come home. Some cannot adjust to civilian life. Problems such as marital discord, excessive drinking, drug use, misdemeanor criminal acts, and other anti-social behavior bring them to the attention of the law enforcement community. **The Veterans Treatment** court mentor program is strictly voluntary. The veteran can be referred by his own attorney, prosecuting attorney, or another court. If the veteran chooses not to participate, their case will be referred back to the originating department.

Those that qualify and participate in the program are paired with volunteer mentors. The court assigns the mentor, the mentor themselves are veterans, to assist the veteran in becoming a law abiding citizen. The "Battle Buddy" builds a strong bond with the veteran and acts as a sounding board, as an accountability partner with the veteran throughout the program until completion. **The Veteran's Treatment Court** strives to find the basic issue the veteran is facing and provides for court ordered counseling. In addition the participants in VTC are required to abstain from drugs and alcohol, submit to random drug and alcohol tests, and complete community service hours. The program is a minimum of one year and may take up to two years for the veteran to complete all the requirements. Veterans who complete the program successfully may have their charges amended, dismissed or conditionally dismissed and in some cases, records may be sealed.

"It has been an honor to watch so many veterans overcome their struggles and utilize the resources that are provided to them through Veterans Treatment court. No veteran should ever feel alone" said Judge Stevens. To date the Henderson Veterans Treatment Court has had 130 veterans successfully complete the court ordered requirements and graduate. Graduates have ranged from an E-1 to a Brigadier General. Each one of these veterans has a different story and has come from all walks of life, but they have all chosen to make the changes that will better their life. Citizens are welcome to share Veterans graduation. The VTC of course welcomes veterans who would like to be a mentor.
